*Eric Lee*

## [Sermon Synopsis - January 26th 2025](#)

### [Luke 5:1-11](#)

As part of a pulpit exchange at a church he had once served, Pastor Eric Lee shares a personal testimony of faith inspired by his Epiphany reflection. He recounts his journey into ministry, emphasizing the transformative call to trust, humility, and discipleship. By stepping into the unknown and relying on God's grace, he highlights how Jesus invites each of us to join Him in His mission to "fish for people." The message challenges us to consider where Jesus may be calling us to cast our nets deeper in faith and to recommit to following Him.
